

## Premium T8

Ø37.11\*604.6 mm  
Ø37.11\*1213 mm

### Specification / 产品规格

| Base Type / 综合描述           |                | Electrical/技术--电参数        |               |
|----------------------------|----------------|---------------------------|---------------|
| Base(Std designation) / 灯座 | T8 Bi Pin      | Construction Current / 电流 | 108mA / 216mA |
| LED / 光源                   | SMT 3528 Chips | Power Consumption / 输出功率  | 8W / 16W      |
| RoHS                       | Yes            | Input Voltage / 输入电压      | AC220-240V    |
| CE                         | Yes            |                           |               |

| Light Range/技术--光参数     |                         | Options/可选配置             |                                      |
|-------------------------|-------------------------|--------------------------|--------------------------------------|
| Colour temperature / 色温 | Warm(3200K)/Cool(6500K) | Color Designation / 灯光色调 | Warm /Cool White                     |
| Dimmable / 能否调光         | No                      | Enclosure / 灯罩           | Alu Alloy Back with Lens Line/ Frost |
| Luminous flux / 光流量     | 825 lm / 1650 lm        | Base Type / 灯座           | T8 Bi Pin                            |
| Luminous Efficacy / 光效  | 102 lm/W                |                          |                                      |
| Beam angle / 光束角度       | 120°                    |                          |                                      |

| Rated Life/技术--寿命   |               | Packaging/包装                 |                                    |
|---------------------|---------------|------------------------------|------------------------------------|
| Rated Life / 预计寿命   | 50,000hours   | Packing Size / Wgt per Piece | 40*40*(620 or 1230)mm/ 276 or 496g |
| Ambient Temp / 环境温度 | (-25 to 50)°C | Qty per box                  | 50 Pcs or 25 Pcs                   |
|                     |               | Packing Size / Wgt per Box   | 1300*240*240mm/14.70 or 13.30 Kg   |
